INTERNSHIP OPPORTUNITIES AT LEARNINGWORKS FOR KIDS

LearningWorks for Kids is an exciting start-up company in the emerging industry of digital technology and game-based education. Working out of our Wakefield offices, we are creating a cutting-edge website and online curriculum platform that instructs parents and educators how to use popular games and gadgets to teach critical thinking and academic skills.

We are currently looking for interns from Computer Science to fill a variety of positions. Full internships of 4 credits and up will be paid \$10/hr. Open internship positions are available for students who possess some or all of the following skills:

- General Web Design (Dreamweaver, HTML, CSS, etc.)
- PHP
- MySQL
- JavaScript
- Actionscript
- Mobile app development

If you are passionate about your field, tech-savvy, and interested in being a part of an exciting educational project like LearningWorks for Kids, please email your cover letter and resume to:
